

NEW SINGLE FAMILY DWELLING
120 – DAY ELECTRICAL EXTENSION

Permit #: _____
Address: _____

The permit holder hereby requests an extension for electrical on the permit number and property address referenced above, for a period not to exceed 120-days. Such request is made in order to complete construction of the structure. It is understood that the Department of Inspection and Fees may grant approval based on the following:

1. The Contractor or Owner assumes all responsibility and liability for the electrical installation during the 120-day electrical approval and will indemnify and hold harmless the City, its employees, assigns, etc. for damages caused by the use of electricity during the 120 days.
2. The Contractor or Owner further understands that they shall request final inspections and approvals by the Department of Inspection and Fees prior to permit power being released to the power company or the structure being occupied.
3. At the end of the 120 days the power company will be notified to disconnect the electrical power from the building unless a final inspection and electrical approval has been completed by the Department of Inspection and Fees.
4. Contractors that do not follow guidelines of this signed agreement will not be allowed to participate in the 120-day contract agreement.
