Insurance Requirements

All deductibles shall be paid for by the Contractor.

Required Insurance Coverages. The Contractor also agrees to purchase and have the authorized agent state on the insurance certificate that the Contractor has purchased the following types of insurance coverages, consistent with the policies and requirements of O.C.G.A. 50-21-37.

The minimum required coverages and liability limits are as follows:

Workers' Compensation Insurance. The Contractor agrees to provide, at a minimum, Workers' Compensation coverage in accordance with the statutory limits as established by the General Assembly of the State of Georgia. A group insurer must submit a certificate of authority from the Insurance Commissioner approving the group insurance plan. A self-insurer must submit a certificate from the Georgia Board of Workers' compensation stating the contractor qualifies to pay its own workers' compensation claims.

The Contractor shall require all Trade Contractors/Subcontractors performing work under this Contract to obtain an insurance certificate showing proof of Workers' compensation Coverage and shall submit a certificate on the letterhead of the Contractor in the following language:

This is to certify that all trade contractors/subcontractors performing work on this Project are covered by their own workers' compensation insurance or are covered by the Contractor's workers' compensation insurance.

Employers' Liability Insurance. The Contractor shall also maintain Employer's Liability Insurance Coverage with limits of at least:

- | | | |
|-------|---------------------------------|--------------------------------|
| (i) | Bodily Injury by Accident | \$1,000,000 each accident |
| (ii) | Bodily Injury by Disease | \$1,000,000 each employee; and |
| (iii) | Bodily Injury/Disease Aggregate | \$1,000,000 each accident |

The Contractor shall require all Trade Contractors/Subcontractors performing work under this Contract to obtain an insurance certificate showing proof of Employers Liability Insurance Coverage and shall submit a certificate on the letterhead of the Contractor in the following language;

This is to certify that all trade contractors/subcontractors performing work on this Project are covered by their own Employers Liability Insurance Coverage or are covered by the Contractor's Employers Liability Insurance Coverage.

Commercial General Liability Insurance. The Contractor shall provide Commercial General Liability Insurance (2001 ISO Occurrence Form or equivalent) that shall include, but need not be limited to, coverage for bodily injury and property damage arising from premises and operations liability, products and completed operations liability, lasting and explosion, collapse of structures, underground damage, personal injury liability and contractual liability. The CGL policy must include separate aggregate limits per Project and shall provide at a minimum the following limits:

Coverage	Limits
1. Premises and Operations	\$1,000,000 per Occurrence
2. Products and Completed Operations	\$1,000,000 per Occurrence
3. Personal Injury	\$1,000,000 per Occurrence
4. Contractual	\$1,000,000 per Occurrence
5. General Aggregate	\$2,000,000 per Project

Additional Requirements for Commercial General Liability Insurance are as follows:

Commercial business Automobile Liability Insurance. The Contractor shall provide commercial business Automobile Liability Insurance that shall include coverage for bodily injury and property damage arising from the operation of any owned, non-owned, or hired automobile. The commercial business Automobile Liability Insurance Policy shall provide not less than \$1,000,000 combined Single Limits for each accident.

Additional Requirements for Commercial Business Automobile Liability Insurance are as follows:

Commercial Umbrella Liability Insurance. The Contractor shall provide a commercial Umbrella Liability Insurance to provide excess coverage above the Commercial General Liability, Commercial Business Automobile Liability and the Workers' Compensation and Employers' Liability to satisfy the minimum limits set forth herein. The umbrella coverage shall follow form with the Umbrella limits required as follows:

For contract Amounts Less Than \$5,000,000:	For Contract Amounts Equal to or Greater than \$5,000,000:

Additional Requirements for Commercial Umbrella Liability Insurance are as follows:

Additional Requirements for Commercial Policies

(a) The policy shall name as additional Insureds the officers, members, and employees of the Owner and the Using Agency.

(b) The policy must be on an "occurrence" basis.

Builders Risk Insurance. Contractor shall provide a Builder's Risk Policy to be made payable to the Owner and contractor, as their interests may appear. The policy amount should be equal to 100% of the Contract Sum, written on a Builder's Risk "All Risk", or its equivalent. The policy shall be endorsed as follows:

The following may occur without diminishing, changing, altering or otherwise affecting that coverage and protection afforded the insured under this policy:

- (i) *Furniture and equipment may be delivered to the insured premises and installed in place ready for use; and*
- (ii) *Partial or complete occupancy by Owner; and*
- (iii) *Performance of work in connection with construction operations insured by the Owner, by agents or lessees or other Contractors of the Owner or Using Agency.*

In the event that the contract is for renovation, addition or modification of an existing structure and Builders Risk Insurance is not available, the Owner will accept an Installation Floater Insurance Policy with the above endorsement in lieu of the Builders' Risk Insurance Policy. Such floater must insure loss to materials and equipment prior to acceptance by Owner and must be on an ALL RISK BASIS with the policy written on a specific job site.

Disposition of Insurance Documents. One original certificate of insurance with all endorsements attached must be deposited with Owner for each insurance policy required.

Termination of Obligation to Insure. Unless otherwise expressly provided to the contrary, the obligation to insure as provided herein shall not terminate until the Design Professional/Architect has executed the Certificate of Material Completion.

Failure of Insurers. The Contractor is responsible for any delay resulting from the failure of his insurance carriers to furnish proof of proper coverage in the prescribed form.

Additional Insured: Contractor shall add Owner and Architect as an additional insured under the commercial general and automobile policies.
