

MACON – BIBB COUNTY GEORGIA CIVIC AWARENESS PROGRAM FOR STUDENTS

APPLICATION

SUMMARY

The Georgia Civic Awareness Program for Students (GCAPS) was developed by the Association of County Commissioners of Georgia (ACCG) to address the need for increased civic involvement and awareness among the state's youth and engage them to become the next generation of civic leaders. The program is dedicated to educating young citizens about the importance of being actively conscious of their local government environment and the opportunities available in the public sector. GCAPS provides civic education by exposing youth to the role that local government plays and by introducing them to the leaders who make local governments work.

GCAPS is designed to provide students with the opportunity to learn first-hand the roles and services that Macon-Bibb County government provides. Throughout the course of the program year, GCAPS participants will take part in team building exercises, attend a board of commissioners meeting, tour county facilities, visit the State Capitol and interact with local and state elected officials. Students will be asked to choose a class project to benefit Macon-Bibb County.

GCAPS is fully supported by the Macon-Bibb County Board of Commissioners.

PROGRAM DETAILS

- **Student Participants (Who is Eligible?):**
 - Must be a 10th, 11th or 12th grade student as of August 2019
