Re: INVITATION FOR BIDS: 18-052-CW, Sub South Recreation Phase II

**The Invitation for Bids, referenced above, is modified as follows:**

Questions and Answers

1. I guess I am trying to find out if this bid is all inclusive - meaning all of the building structures, tennis courts, batting cages, site concrete, paving, fencing, pavilions, benches, all utilities and civil components. **Yes, it's all inclusive unless otherwise stated as existing or done by others like the splashpads, site lighting and playground.**
2. For example, there are plans for the tennis clubhouse and no specifications in the project manual for masonry, carpentry, insulation, finishes ect. Are we to use only to notes provided on the plans to bid all of that? **Yes, Notes on plans, no additional specifications issued.**
3. Also, are the splash pads (by others) going to be installed at the same time as the rest of the construction? **That will be up to the Parks Department, but the hope is for that to be installed during this overall construction phase.**

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

*Nan Tharpe*
