**CONSIDERATION OF WHETHER BIDS SUBSTANTIALLY COMPLY WITH BID
REQUIREMENTS**

SOLICITATION NUMBER: 21-027-FH

SOLICITATION TITLE: North Macon Park - Splost - Construction

SUBMISSION DUE DATE/TIME: February 18, 2021 12:00 p.m.

After review of the bid submission documents, it was determined that all three contractors submitted bids using a bid form which was attached to the final addendum attached to this Invitation for Bids, Addendum #5, which was posted to the Macon-Bibb County Procurement website. The fact that the contractors used the bid from Addendum #5 shows that the contractors received notice of Addenda #1-#4 which were posted on the Macon-Bibb Procurement page with Addendum 5. However, none of the contractors expressly stated that they received notice of the addenda.

The bidding contractors have substantially complied with the bid requirement to submit bids with full knowledge of the Invitation to Bid, its attachments, and addenda. The remedy of disqualifying all bidders and compelling a second bid on the project would unreasonably delay improvements which benefit the citizens of Macon-Bibb County of the use of the proposed improvements at Theron Ussery Park. This decision shall not waive the requirement of strict compliance with the requirement to acknowledge addenda in future bids. This decision does not waive Macon-Bibb County's right to reject future bids that do not comply with the requirement that bidders acknowledge any and all addenda to bids.
