CHDO Application Package

HOME INVESTMENT PARTNERSHIPS ACT (HOME) COMMUNITY HOUSING DEVELOPMENT ORGANIZATION (CHDO) GENERAL INFORMATION

Federal regulations specify a 15% set-aside of all Home Investment Partnerships Act (HOME) funds for private nonprofit organizations, which meet the criteria and have been approved as Community Housing Development Organizations (CHDO). These funds must be used for specific project-related expenses associated with housing to be developed, sponsored, or owned by the organization. This can be housing developed for long-term rental, or homeownership.

All projects costs for participating jurisdictions (PJs) must be entered into a legally binding HOME written agreement, signed and date required, with developers, owners, contractors, subrecipients or state recipients or CHDOs, to use a specified amount of HOME funds. Failure to commit and use the funds within the specified timeframe of twelve months may result in a loss of the funds.

The HOME regulations are very specific in determining whether an organization qualifies as a CHDO. The applicant must have a demonstrated track record and have true accountability to the communities and residents it serves. This accountability extends to the Board of Directors and requires low-income representation on that Board.

Listed below is language from the HOME regulations, which define how an organization may qualify as a CHDO and eligible activities for the use of HOME CHDO funds.

To be funded as a CHDO, a community-based non-profit affordable housing development organization must meet and provide the following criteria:

- 1) Is organized under state or local laws.
- 2) Has no part of its net earnings inuring to the benefit of any member, founder, contributor, or individual.
- 3) Is neither controlled by, nor under the direction of, individuals or entities seeking to derive profit or gain from the organization. A community housing development organization may be sponsored or created by a for-profit entity, but:
 - (i) The for-profit entity may not be an entity whose primary purpose is the development or management of housing, such as a builder, developer, or real estate management firm;
 - (ii) The for-profit entity may not have the right to appoint more than one-third of the membership of the organization's governing body. Board members appointed by the for-profit entity may not appoint the remaining two-thirds of the board members; and
 - (iii) The community housing development organization must be free to contract for goods and services from vendors of its own choosing.

- 4) Has a tax exemption ruling from the Internal Revenue Service under section 501(c)(3) or (4) of the Internal Revenue Code of 1986.
- 5) Does not include a public body (including the participating jurisdiction). An organization that is State or locally chartered may qualify as a community housing development organization; however, the State or local government may not have the right to appoint more than one-third of the membership of the organization's governing body and no more than one-third of the board members may be public officials. Board members appointed by the State or local government may not appoint the remaining two-thirds of the board members.
- 6) Has standards to financial accountability that conform to 2 CFR Part 200 and 2 CFR Part 215.21 "Standards for Financial Management Systems."
- 7) Has among its purposes the provision of decent housing that is affordable to low-income and moderate-income persons, as evidenced in its charter, articles of incorporation, resolutions or by-laws.
- 8) Maintains accountability to low-income community residents by:
 - (i) Maintaining at least one-third of its governing board's membership for residents of low-income neighborhoods, other low-income community residents, or elected representatives of low-income neighborhood organizations. For urban areas, "community" may be a neighborhood or neighborhoods, city, county or metropolitan area; for rural areas, it may be a neighborhood or neighborhoods, town, village, county, or multi-county area (but not the entire State); and
 - (ii) Providing a formal process for low-income, program beneficiaries to advise the organization in its decisions regarding the design, siting, development, and management of affordable housing.
- 9) Has a demonstrated capacity for carrying out activities assisted with HOME funds. An organization may satisfy this requirement by hiring experienced accomplished key staff members who have successfully completed similar projects, or a consultant with the same type of experience and a plan to train appropriate key staff members of the organization.
- 10) Has a history of serving the community within which housing to be assisted with HOME funds is located. In general, an organization must be able to show one year of serving the community (from the date the participating jurisdiction provides HOME funds to the organization). However, a newly created organization formed by local churches, service organizations or neighborhood organizations may meet this requirement by demonstrating that its parent organization has at least a year of serving the community.

Eligible CHDO Activities - General

The following activities are eligible for consideration only. While an activity may be eligible, funding is not guaranteed.

(A) Eligible activities

- (1) HOME funds may be used by a participating jurisdiction to provide incentives to develop and support affordable rental housing and homeownership affordability through the acquisition, (including assistance to homebuyers) new construction, reconstruction, or moderate or substantial rehabilitation of non-luxury housing with suitable amenities, including real property acquisition, site improvements, conversion, demolition, and other expenses, including financing costs, relocation expenses of any displaced persons, families, businesses, and organizations. The housing must be permanent or transitional housing, and includes permanent housing for disabled homeless persons, and single-room occupancy housing.
- (2) Acquisition of vacant land must be undertaken only with respect to a particular housing project intended to provide affordable housing. CHDOs should first consult with the Macon Bibb County Land Bank Authority when interested in acquiring properties. The Land Bank works in conjunction with Macon Bibb in acquiring properties with the intent of not holding on to the properties but having developers develop the properties.
- (3) Demolition can only be undertaken when new construction is a part of the overall scope of the project.
- (4) Conversion of an existing structure to affordable housing is rehabilitation, unless the conversion entails adding one or more units beyond the existing walls, in which case, the project is new construction of purposes of this part.

HOME projects must provide housing assistance to low and moderate-income households, as defined by HUD's HOME Income Limits See attached current Income Limits). HOME Regulations allow for CHDOs to receive funds for specific project-related expenses.

(B) Leverage Requirements

HOME funds will be used as a gap financing subsidy that is necessary to help make a project or development cost effective for the intended low-to moderate income beneficiary. HOME funds may not be used to replace other available County, State or Federal funds, therefore, a detailed budget outlining all other funds associated with the project must be submitted along with the application. When a project includes other funding sources, supporting documentation must be provided of the awarded funding and amounts from other entities (grants, Low Income Housing Tax Credits, bank financing, donors, etc.) when making an application for assistance.

ACKNOWLEDGEMENT OF RELIGIOUS ORGANIZATION REQUIREMENTS

1. In accordance with the First Amendment of the United States Constitution - "faith-based principles set forth at 24 CFR 576.406," - HOME assistance may not, as a general rule, be provided to primarily religious entities for any activities, including secular activities.
2. The following restrictions and limitations therefore apply to the use of HOME funds by any provider which represents that it is, or may be deemed to be, a religious or denominational institution or an organization operated for religious purposes which are supervised or controlled by, or operates in conjunction with, a religious or denominational institution or organization.
3. Any religious entity that applies for and is granted HOME funds for public service must agree to the following:
 - a. It will not discriminate against any employee or applicant for employment on the basis of religion and will not limit employment or give preference in employment to persons on the basis of religion.
 - b. It will not discriminate against any person applying for such public services on the basis of religion and will not limit such services or give preference to persons on the basis of religion.
 - c. It will provide no religious instruction or counseling, conduct no religious worship or service, engage in no religious proselytizing, and exert no other religious influence in the provision of such public services.
 - d. HOME funds may not be used for the acquisition of property or the construction or rehabilitation (including historic preservation or removal of architectural barriers) or structures to be used for religious purposes or which will otherwise promote religious interests.
4. HOME funds may be used to rehabilitate buildings owned by primarily religious entities which are to be used for a wholly secular purpose under the following conditions:
 - a. The building (or portion thereof) that is to be improved with HOME assistance has been leased to an existing or newly established wholly secular entity (which may be an entity established by the religious entity);
 - b. The HOME assistance is provided to the lessee (and not to the lessor) to make improvements;
 - c. The leased premises will be used exclusively for secular purposes available to all persons regardless of religious affiliation;

- d. The lease payments do not exceed fair market value of the premises as they were before the improvements were made;
- e. The portion of the cost of any improvements that also serve a non-leased portion of the building will be allocated to and paid by the lessor;
- f. The lessor enters into a binding agreement that unless the lessee, or a qualified successor lessee, retains the use of the leased premises for a wholly secular purpose for at least the useful life of the improvements, the lessor will pay to the lessee an amount equal to the residual value of the improvements;
- g. The lessee must remit the amount received from the lessor to the recipient or sub-recipient from which the HOME funds were derived.

I HEREBY ACKNOWLEDGE THAT I HAVE READ THE SPECIFIC REQUIREMENTS CONTAINED IN THIS ATTACHMENT, AND THAT ELIGIBILITY OF MY ORGANIZATION'S PROJECT DEPENDS UPON COMPLIANCE WITH THE REQUIREMENTS CONTAINED IN THIS ATTACHMENT.
