

**WHEREAS**, despite advances in medical technology and research, men continue to live an average of five years less than women with Native American and African American men having the lowest life expectancy; and

**WHEREAS**, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will result in reducing rates of mortality from disease; and

**WHEREAS**, men who are educated about the value that preventive health can play in prolonging their lifespan and their role as productive family members will be more likely to participate in health screenings; and

**WHEREAS**, fathers who maintain a healthy lifestyle are role models for their children and have happier, healthier children; and

**WHEREAS**, Men’s Health Network worked with Congress to develop a national men’s health awareness period as a special campaign to help educate men, boys, and their families about the importance of positive health attitudes and preventative health practice; and

**WHEREAS**, Men’s Health Month will focus on a broad range of men’s health issues, including heart disease, mental health, diabetes, and prostate, testicular and colon cancer,

**NOW, THEREFORE**, I, Lester M. Miller do hereby proclaim June 2021 as:

**MEN’S HEALTH MONTH”**

in Macon-Bibb County, and I urge all citizens to pursue preventative health practices and early -detection efforts, and to increase awareness of the importance of a healthy lifestyle, regular exercise, and medical check-ups.

**IN WITNESS WHEREOF**, I have hereunto set my hand and caused the Seal of the Consolidated Government to be affixed this \_\_\_\_day of June 2021.
