ADDENDUM # 2

To: ALL PROSPECTIVE FIRMS

Re: REQUEST FOR QUALIFIED CONTRACTOR: 22-045-LH, Red Light Camera Enforcement Program

The Request for Qualified Contractor, referenced above, is modified as follows:

1. Can Attachment "A" Required Submission Documents, Cover Page and Table of Contents be excluded from the page count?

Answer: Yes.

2. Pricing is not included in scoring or in the required bid response documents. Does the County want pricing to be included in bid responses?

Answer: The county is looking for qualified contractors and not proposal.

3. Has the County ever had photo red-light enforcement in the past?

Answer: No.

4. Which intersections have the highest rate of accidents, injuries, and red-light running violations?

Answer: To be determined.

5. For these intersections noted in Question 4, has the County worked with GDOT to try to mitigate the number of accidents, injuries, and red-light violations?

Answer: See response to question 4.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Franklin Lawson

Director of Procurement
