Historic Macon plans to convert this two-story historic property from a two bedroom/one bath to a two bedroom/two-1/2 bathroom. We plan to add a master bathroom and a guest bathroom on the second floor and a 1/2 bathroom under the stairs on the first floor. There will be a laundry area on the first floor below the master bathroom. All windows will be replaced with new energy efficient low-e windows. Historic Wood Siding on the front of the house will be repaired/replaced with similar materials, and the other three sides of the house will have cement siding. The two-story front porch will be repaired and rebuilt retaining historic decorative elements. The back addition will be removed and an open porch will be built to replace it. Landscaping plan will keep existing driveway and front steps and walkway, the lot will be graded to shed water away from the structure, and the lawn will be seeded and covered with straw.
