Re: INVITATION FOR BIDS: 23-020-LH, Convert Tennis Courts to Pickle Ball Courts

The Invitation for Bids, referenced above, is modified as follows:

1. What is the estimated cost or budget?

Answer: To be determined.

2. It was mentioned that in the pre-bid meeting there will be a need for installation of a 170' long x 4' high divider fence, with 2 gates, on the conversion project, but this is not listed in the specifications. Can you confirm this is a requirement?

Answer: As stated in the meeting, the fence specification is to include a 4' high black divider fence, vinyl coated 9-gauge wire, schedule 20 black 3" terminal posts, schedule 20 black 2 1/2" line posts and hardware as necessary.

3. Regarding the referenced bid, it was mentioned in the pre-bid meeting by the director that he desired a 4' high fence be installed to divide the new pickleball courts. Is that going to be added to the scope of work thru an addendum?

Answer: Refer to question 2 response.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Laura Hardwick
