ADDENDUM #6

To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: EMA Debris Removal Services, 23-030-NT

**The Invitation for Bids, referenced above, is modified as follows:**

1. Bid submittals need to include the following in the order listed:

Additional Questions and Answers. (see Attachment)

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

*Nan Tharpe*

Nan Tharpe  
Procurement Officer II

1. What was the last event that impacted the County which required activation and performance by the County's disaster debris management contractor?	Hurricane Irma 2017
2. How many cubic yards of debris were collected in that event?	97,436 Cubic Yards
3. Which Contractor held the previous or holds the current contract for the services requested in this solicitation?	Irma = Southern Disaster Recovery Current = DRC
4. Does the County currently have a disaster debris monitoring firm under contract, and if so, with which company(ies)?	Yes - Thompson
5. Please provide the names and titles of the evaluation committee members.	Procurement Question
6. Please provide the date, time, and location when the evaluation committee meeting will be held to evaluate proposals.	Procurement Question
7. Where will the evaluation committee meeting notice be posted?	Procurement Question
8. When will the intent to award be made, and how will it be communicated to proposers?	Procurement Question
9. Does the County own any self-loading grapple trucks, and if so, how many?	Yes - one
10. How many miles of public roads are within the County?	Vendor responsibility to research County demographics
11. How many miles of State roads are within the County?	Vendor responsibility to research County demographics
12. Does the County have Memorandums of Understanding (MOU) or Mutual Aid agreements in place with other incorporated municipalities within the County that would allow the use of this contract to be utilized by those entities to perform disaster debris management services, and if so, which ones?	Consolidated Government, no municipalities only the county government
13. Does the County intend to allow all or some of the incorporated municipalities within the County to utilize this contract, and if so, which ones?	N/A
14. Will this contract be used to perform services on any state roads within the County instead of the GDOT performing those services?	No
15. If the answer to the previous question is yes, does the County have a pre-existing Memorandum of Understanding (MOU) or Mutual Aid agreement with the GDOT that authorizes the County to perform debris removal services on state roads?	N/A

16. Are there any pre-identified DMS Locations?  a. If so, where are they?	No
17. Will the County landfill accept any disaster debris after an event?  a. If not, which landfill does the County have agreements with for the material to be hauled to?	We do not have a County landfill  a. Wolfcreek
18. Please confirm that all debris processing and haulout should be included in the ROW Cubic Yardage Rate.	Yes
19. Household hazardous waste is generally collected by the pound and not the cubic yard since it comes in liquids and solids.  a. Would the County consider changing that item to collection by the pound?	For the current RFP we will be keeping this as cubic yards.
20. Can the County confirm if the hazardous hanging limb rate is by the limb or by the typical industry standard, which is by the tree?	Hanging limb by tree per FEMA PAPPG  <i>FEMA encourages Applicants to procure branch or limb removal from trees on a one-time charge per tree basis as opposed to a unit price per limb or branch to facilitate more cost-effective operations</i>
21. Can the County confirm that the vehicle removal is specifically from the right-of-way areas and does not include any vehicles from navigable waterways or streams?	ROW only
22. Can the County confirm that the Construction and Demolition debris line item is for hauling to a DMS or direct to a final disposal location?  a. If it is to a final disposal location, what is the address of that facility?	ROW removal is inclusive of hauling to DMS and Final location  This will be determined in conjunction with County and Debris Removal vendor prior to event
23. Please confirm per Item F. that this bid will be awarded based on the lowest price and not on a company's past performance or experience?	The bid is based on the following: Experience Timeline Project Approach Pricing
24. Regarding the Pricing evaluation, does the County intend to add up all unit price line items to get a total figure to compare against other proposer's or will there be estimated	We will be using the Price Form with each section that request a Average unit price is what it will be based on for part of the evaluation.

quantities assigned to calculate a total extended price?	
25. If quantities are going to be assigned, what will they be?	I don't understand the question
26. The last page of Attachment A has a form that looks like it was added by mistake. Please advise. See the image below.	As stated in Addendum 2 is advised to refer to the revised Attachment A you can located this on the website.
