- A. A 5% retainage will be withheld from each payment until substantial completion. The Owner will only pay for items used and actual work performed.
- B. Change orders are issued for any variance from contract or plan sheets.
- C. Any unauthorized work or material change will not be paid for unless a change order has been issued prior to the completion of work.

J. Excise Taxes

- A. Any material that is to be incorporated into the work of this project may be consigned to Macon-Bibb County in care of the contractor. If the shipping papers show clearly that any such materials is so consigned, the shipment shall be exempt from the tax on transportation of property under the provisions of Section 3478(b) of the Internal Revenue Code, as amended by Public Law 180-78th Congress.
- B. The Contractor shall pay all transportation charges.
- C. Each Proposal shall take this exemption into account in calculating its Proposal.

K. Insurance Requirements

- A. All deductibles shall be paid for by the Contractor.
- B. Required Insurance Coverages. The Contractor also agrees to purchase and have the authorized agent state on the insurance certificate that the Contractor has purchased the following types of insurance coverages, consistent with the policies and requirements of O.C.G.A. 50-21-37. The minimum required coverages and liability limits follow.
- C. Workers' Compensation Insurance. The Contractor agrees to provide, at a minimum, Workers' Compensation coverage in accordance with the statutory limits as established by the General Assembly of the State of Georgia. A group insurer must submit a certificate of authority from the Insurance Commissioner approving the group insurance plan. A self-insurer must submit a certificate from the Georgia Board of Workers' compensation stating the contractor qualifies to pay its own workers' compensation claims.

The Contractor shall require all Trade Contractors/Subcontractors performing work under this Contract to obtain an insurance certificate showing proof of Workers' compensation Coverage and shall submit a certificate on the letterhead of the Contractor in the following language:

This is to certify that all trade contractors/subcontractors performing work on this Project are covered

by their own workers' compensation insurance or are covered by the Contractor's workers' compensation insurance.

- D. Employers' Liability Insurance. The Contractor shall also maintain Employer's Liability Insurance Coverage with limits of at least:

- | | |
|-----------------------------------|--------------------------------|
| • Bodily Injury by Accident | \$1,000,000 each accident |
| • Bodily Injury by Disease | \$1,000,000 each employee; and |
| • Bodily Injury/Disease Aggregate | \$1,000,000 each accident |

The Contractor shall require all Trade Contractors/Subcontractors performing work under this Contract to obtain an insurance certificate showing proof of Employers Liability Insurance Coverage and shall submit a certificate on the letterhead of the Contractor in the following language.

This is to certify that all trade contractors/subcontractors performing work on this Project are covered by their own Employers Liability Insurance Coverage or are covered by the Contractor's Employers Liability Insurance Coverage.

- E. Commercial General Liability Insurance. The Contractor shall provide Commercial General Liability Insurance (2001 ISO Occurrence Form or equivalent) that shall include, but need not be limited to, coverage for bodily injury and property damage arising from premises and operations liability, products and completed operations liability, lasting and explosion, collapse of structures, underground damage, personal injury liability and contractual liability. The CGL policy must include separate aggregate limits per Project and shall provide at a minimum the following limits:

Coverage	Limits
• Premises and Operations	\$1,000,000 per Occurrence
• Products and Completed Operations	\$1,000,000 per Occurrence
• Personal Injury	\$1,000,000 per Occurrence
• Contractual	\$1,000,000 per Occurrence
• General Aggregate	\$2,000,000 per Project

- F. Commercial Business Automobile Liability Insurance. The Contractor shall provide commercial business Automobile Liability Insurance that shall include coverage for bodily injury and property damage arising from the operation of any owned, non-owned, or hired automobile. The commercial business Automobile Liability Insurance Policy shall provide not less than \$1,000,000 combined Single Limits for each accident.

- G. Commercial Umbrella Liability Insurance. The Contractor shall provide a commercial Umbrella Liability Insurance to provide excess coverage above the Commercial General Liability, Commercial Business Automobile Liability and the Workers' Compensation and Employers' Liability to satisfy the minimum limits set forth herein. The umbrella coverage shall follow form with the Umbrella limits required as follows:

For contract Amounts Less Than \$5,000,000:	For Contract Amounts Equal to or Greater than \$5,000,000:

\$4,000,000 Aggregate	\$10,000,000 Aggregate

- H. Additional Requirements for Commercial Policies

- The policy shall name as additional insureds the officers, members, and employees of the Owner and the Using Agency.
- The policy must be on an "occurrence" basis.

- I. Builders Risk Insurance. Contractor shall provide a Builder's Risk Policy to be made payable to the Owner and contractor, as their interests may appear. The policy amount should be equal to 100% of the Contract Sum, written on a Builder's Risk "All Risk", or its equivalent. The policy shall be endorsed as follows:

The following may occur without diminishing, changing, altering, or otherwise affecting that coverage

and protection afforded the insured under this policy:

- *Furniture and equipment may be delivered to the insured premises and installed in place ready for use; and*
- *Partial or complete occupancy by Owner; and*
- *Performance of work in connection with construction operations insured by the Owner, by agents or lessees or other Contractors of the Owner or Using Agency.*

If the contract is for renovation, addition or modification of an existing structure and Builders Risk Insurance is not available, the Owner will accept an Installation Floater Insurance Policy with the above endorsement in lieu of the Builders' Risk Insurance Policy. Such floater must insure loss to materials and equipment prior to acceptance by Owner and must be on an ALL-RISK BASIS with the policy written on a specific job site.

- J. Disposition of Insurance Documents. One original certificate of insurance with all endorsements attached must be deposited with Owner for each insurance policy required.
- K. Termination of Obligation to Insure. Unless otherwise expressly provided to the contrary, the obligation to insure as provided herein shall not terminate until the Contractor has executed the Certificate of Completion.
- L. Failure of Insurers. The Contractor is responsible for any delay resulting from the failure of his insurance carriers to furnish proof of proper coverage in the prescribed form.
- M. Additional Insured. Contractor shall add Owner and Architect (if applicable) as an additional insured under the commercial general and automobile policies.

II. INSTRUCTIONS TO PROPOSALS

A. Definitions

Wherever the term "Owner", "County", or "Macon-Bibb County" occur in these specifications, it shall mean Macon-Bibb County, a political subdivision of the State of Georgia acting through the Macon-Bibb County Board of Commissioners.

Wherever the term "work" occurs in these specifications, it shall mean the work as defined herein, including, all labor, materials, equipment, transportation, and supervision necessary to complete the contract.

B. Related Documents

- Required Submission Documents (Attachment "A")
- Specifications (Attachment "B")

C. Proposal's Representation

Each Proposal represents that the Proposer:

- Read and understands the Proposal documents.
- Visited the site and is familiar with the local conditions under which the work is to be performed.

Proposals shall examine the areas wherein work of this project is to be carried out and shall take into consideration all conditions that might affect the work.

- Failure of the Proposer to inspect firsthand the areas affected by work in this project shall not relieve the Proposer of the obligation to comply fully with the scope of the work as defined herein.
- No consideration will be given any claim based on lack of knowledge of existing conditions, except where the Contract Documents make definite provisions for adjustment of cost or extension of time due to existing conditions that cannot be readily ascertained.

D. Document Discrepancies

- A. Should the Proposer find discrepancies in, or omissions from the documents, the Proposer shall at once notify the Macon-Bibb County Procurement Department.
- B. Requests for Interpretations of Scope of Work/ Specifications shall be made in writing to the Macon-Bibb County Procurement Department not later than Friday, April 21, 2023, at 3:00 PM EST to Lhardwick@maconbibb.us.
- C. Any subsequent instructions to Proposers will be issued in the form of addenda to the specifications and sent to the Proposers. All addenda shall be enumerated in the Proposal Form.
- D. All definitions set forth in the specifications are applicable to this Instruction to Proposals, the Proposal Form and the proposed Contract Documents including, but not limited to, drawings, project manual, and any addenda issued prior to receipt of Proposals.
 - Addenda are written or graphic instruments issued prior to the execution of the Contract that may modify or interpret the Proposal documents by deletion, additions, clarifications, or corrections.
 - Addenda will become part of the Contract Documents when the Contract is executed.

E. Submittals

For Proposals to be considered, the complete Proposal document package shall be submitted including each of the following completed documents.

- A. Cost Proposal Form (included in this document)
- B. Attachment "A" Required Submission Documents
 - Proposal Information Form
 - Proposal's Qualification Form
 - List of Sub-Contractors
 - Minority Participation Goal
 - Financial & Legal Stability Statement
 - Insurability Statement
 - E-Verify Affidavit

C. Bid Bond

In order for Proposal to be considered, it shall be accompanied by a Bid Bond payable to the Owner, in amount not less than five-percent (5%) of the total base Proposal (acquired separately)

F. Reservations

The proposer acknowledges that Macon-Bibb County reserves full freedom (in addition to the right to reject any and all Proposals) in awarding Proposals to consider all available factors including, but not limited to, price, the provision of needed and unneeded features, usefulness to the using department and prior County experience. In addition, the Proposer recognizes the right of the Owner to reject a Proposal if the Proposal failed to furnish any required submittals on the date required by the Proposal documents, or if the Proposal is in any way incomplete or irregular. Hence the County may award Proposals to other than the lowest Proposal if in the judgment of the Board of Commissioners the interest of the County will be best served by award to another. The County reserves the right to award Proposals in accordance with its Code of Ordinances regarding the procurement of services and goods.

G. Surety and Insurance Companies

The Contract provides that the surety and insurance companies must be acceptable to the Owner. The Proposal shall require the attorney in fact who executes the required bonds on behalf of the surety to affix thereto a certified and current copy of his power of attorney indicating the monetary limit of such power.

III. SPECIAL CONDITIONS

A. General

All work to be performed as part of this specification shall comply with all codes, ordinances, and regulations applicable to the contract, including, but not limited to:

- International Building Code
- State and Local Building Code
- Georgia Department of Transportation (D.O.T.)
- Occupational Safety and Health Administration (OSHA)
- Other Federal, State, or Local Codes

B. Permits and Licenses

Contractor shall obtain all permits and licenses, paying all fees as required, for execution of the Contract. In addition, the Contractor shall arrange for necessary inspections required by the City, County, State, and other authorities having jurisdiction, and submit certificates of approval to the Owner or its designated representative.

C. Layout of Work

The Contractor shall verify all existing conditions and contiguous work and lay out the work there from, providing for all necessary measurements, lines, and levels, and shall assume the responsibility for the correctness of the layout of the work.

D. Work Area

- The Contractor shall confine its operations to as small an area as possible, using only the areas designated for on-site storage.
- The Contractor shall protect all surrounding adjoining private and public property, taking every precaution to prevent damage or injury to trees, shrubs, curbs, sidewalks, driveways, and fences along or adjacent to the work. Should damage occur, the Contractor shall restore, at its expense, any such property damage or injuries by its operations to a condition equal to that existing before such damage or injury was done, by repairing, rebuilding or otherwise restoring as may be directed by, and to the satisfaction of the Owner.
- In case of failure on the part of the Contractor to restore such property, or make good such damages or injury, the Owner may, after forty-eight (48) hours written notice, proceed to repair, rebuild, or otherwise restore such property as may be deemed necessary, and the cost thereof shall be deducted from any monies due, or which may become due the contractor under this contract.

E. Underground Utilities

The Contractor shall verify all underground utilities and their locations prior to commencing any work under this contract. Damages to underground utilities, and costs to repair same, shall be the responsibility of the Contractor.

F. Traffic Control

- It shall be the responsibility of the Contractor to maintain traffic by utilizing adequate construction signs and flagmen at all times.
- The Contractor shall furnish, install, maintain, and eventually remove all traffic control devices necessary to properly protect and divert traffic. Such barricades and detour signs shall be illuminated at night.
- All costs associated with traffic control shall be the responsibility of the Contractor.
- The Contractor shall assume all responsibility for damages resulting from the failure of the signs and/or barricades to properly protect the work from traffic.

G. Vandalism

The Contractor shall take every precaution not to leave equipment and materials where they can be reached and used for defacing new or existing work at any time.

H. Material Disposal

The Contractor shall allow no trash, dirt, stumps, tree trunks, or excess material to accumulate and shall be responsible for removing same from the premises.

- Such items shall be disposed of off the premises.
- Burning of material on the site will not be permitted.

- All costs of removing trash shall be the responsibility of the Contractor.
- Place and method of disposal shall be the responsibility of the Contractor.

I. Extension of Time

In the event the work under this project is delayed by neglect, delay, or default of any other Contractor or the Owner, or by any damage which is the result of an Act of God, or by a general strike of the employees, the Contractor shall have reason to claim for delay and request an extension of time to complete the contract.

J. Liquidated Damages

Liquidated damages in the amount of **\$225.00** shall be charged to the contractor for each day that the project is delayed beyond the completion date of the contract. These charges are to defray the cost of inspection by Macon-Bibb employees assigned to the project.

K. Inspection

- A. Inspectors may be appointed to inspect all materials used and all work performed. Such inspection may extend to all or any part of the work and to the preparation of manufacture of the materials to be used. The inspectors will not be authorized to revoke, alter, enlarge, or relax the provisions of this specification, nor will they be authorized to approve or accept any portion of the completed work or to issue instruction contrary to the plans and specifications. The inspector shall have authority to reject defective material and to suspend work that is being improperly done, subject to the final decision of the Inspector.
- B. It is mutually agreed between the parties to the contract that to prevent all disputes and misunderstandings between them in relation to any of the provisions contained in these specifications, or their performance by either of said parties, the Owner shall serve as the referee to decide all matters of construction of the specifications and of the terms of the contract, and as to all matters arising or growing out of said contract and his decision shall be final and binding upon both parties.
- C. The Owner and its inspectors shall have free access to all parts of the work, and to all material intended for use in the work. The work will be inspected as it progresses, but failure to reject or condemn defective work at the time it is done will in no way prevent its rejection whenever it is discovered before the work is finally accepted and approved, nor will final acceptance and approval constitute waiver by the County of any right of action for defective work or the failure to perform the contract according to its terms.

IV. EXECUTION

A. General

Re: **23-040-LH Macon-Bibb County Law Enforcement Center Air Quality Improvements**
Macon-Bibb County, Georgia

1. We have examined the specifications, related documents, and the site of the proposed work, and are familiar with all the conditions surrounding this project, including the availability of materials and labor, and hereby propose to furnish all materials and labor, and to complete the project in accordance with the Contract Documents, within the time set forth herein, and at the prices stated below. These prices are to cover all expenses incurred in performing the Work required under these Specifications, of which this Proposal is part.
2. ADDENDUM RECEIPT:
 - a. We acknowledge our responsibility to ensure that all addenda have been received prior to the submission of a Proposal.
 - b. Proposer acknowledges receipt of the following addenda:

Addendum No. _____ Dated _____

Addendum No. _____ Dated _____
3. We agree to commence actual physical work on site, with an adequate force and equipment within the timeframe presented in the specifications and to complete fully all work within the stated timeframe following notice to proceed.
4. We agree that this Proposal may not be revoked or withdrawn after the time set for the opening of Proposals and shall remain open for acceptance for a period of ninety (90) days following such time.
5. In case of written notification by mail, telegraph, or delivery of the acceptance of this Proposal within ninety (90) days after the time set for the opening of Proposals, the undersigned agrees to execute within ten (10) days a Contract for the Work for the below stated compensation and at the same time to furnish and deliver to the Owner a Performance Bond and a Payment Bond, both in an amount equal to one hundred percent (100%) of the Contract Sum.
6. Enclosed herewith is a Proposal Bond in the amount of five percent (5%) of the total base Proposal. We agree that the above stated amount is the proper measure of liquidated damages that the Owner will sustain by the failure of the undersigned to execute the Contract and to furnish the Performance Bond and the Payment Bond.
7. If this Proposal is accepted within ninety (90) days after the date set for the opening of Proposals and we fail to execute the Contract within ten (10) days after written notice of such acceptance, or if we fail to furnish both a Performance Bond and a Payment Bond, the obligation of the bond will remain in full force and effect and the money payable thereon shall be paid into the funds of the Owner as liquidated damages for such failure; otherwise, the obligation of the bond will be null and void.
