ADDENDUM # 1

To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: 23-047-LH, Total Roof Replacement Macon-Bibb DOT Building

The Invitation for Bids, referenced above, is modified as follows:

1. Would like to see if plans or specs are available electronically for the 23-047-LH Macon-Bibb DOT roof replacement project.

Answer: The specifications are located on Macon-Bibb County Procurement website.

2. I could not locate any substitution procedures in the invitation package, we are wanting to know if a Firestone product would be an acceptable substitute and if there is anything further, we would need to do to request.

Answer: No substitutes will be considered.

3. RSG Building Solutions is a manufacturing representative agency. We are the manufacturer's representative for several major roofing manufacturers in your area. If your project is facing one of the challenges mentioned, we would like an opportunity to help find a solution. Not only for this project, but any projects that you may be working on now or in the future. If money is an issue for the owner, we feel that a restoration system could be a good solution for many projects. We can offer a 5-year warranty system to get the roof dried in until the economy turns around or a system ranging up to a full 20 warranty. If a restoration system is not a good option, we can help with membrane roofing systems as well.

Answer: This is a sole brand solicitation for a total roof replacement. No substitutes or alternative restoration services will be considered for this solicitation.

4. What is the estimated construction budget?

Answer: To be determined.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Laura Hardwick
