PROJECT DESCRIPTION

RUNWAY 5-23 EXTENSION consisting of approximately 1,000 LF of MSE retaining wall, 750,000 CY of onsite earthwork, 2,000 LF of 10'x10' box culverts, potable water and sanitary sewer line relocations, erosion control systems, placement of base material, asphalt paving of the runway and taxiway extension, new electrical system for the runway and taxiway extension, new MALSRS conduit and circuits, new MALSRS light bars, new MALSRS storage shelter, asphalt grooving, runway and taxiway marking, and new EMAS. The project cost is estimated to be between \$20,000,000 and \$25,000,000.

A DBE participation goal and Davis-Bacon requirements will be included in the Contract. Prospective bidders should read the following instructions carefully before submitting their bids. For each item on the bid form there is a space provided for the price to be shown in numerals and words. All notations must be in ink. Totals read at the opening of bids are not guaranteed to be correct and no final award of contract will be made until the bid and extensions have been verified.

A Bidder's bond must be executed on the form furnished by the Owner, and the required bond, cash, cashier's check, or certified check must accompany each proposal, in the amount of 5% of the total amount of the proposal. A 100% performance bond and a 100% payment bond will be required of the Contractor at time of contract execution. A Georgia Resident Agent must countersign all bonds from a surety company authorized by law to do business in this State pursuant to a current certificate of authority to transact surety business by the Commissioner of Insurance; no bond shall be approved unless the surety is on the United States Department of Treasury's list of approved bond sureties.

The successful bidder will be required to provide the Owner with the affidavit required by OCGA 36-91-21 (e) *Competitive Award Requirements*.

Base Bid work under the contract shall be completed within **355** calendar days from the issuance of the Construction Notice to Proceed. If Additive Alternate No. 1 is awarded, **60** additional days will be added to the contract time. If Additive Alternate No. 2 is awarded, **60** additional days will be added to the contract time. The total contract time will be a total of **475** calendar days if all alternates are awarded. The bid will be awarded based on the combination of alternates selected to be most advantageous to the Owner.

Liquidated damages for delays in completion will be in accordance with the following schedule:
\$1,000.00 per calendar day.

Payment will be made monthly on completed work. Retainage will be held by the Owner to a maximum of ten percent (10%) of each progress payment.

Copies of the plans, specifications, and bid forms shall be on file at the following locations:
