ADDENDUM # 1

To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: 24-005-LH, Pine Hill Sidewalk Improvements

The Invitation for Bids, referenced above, is modified as follows:

1. Why is this project requiring a unity license for the entire project? We are the prime contractor, all of our subcontractors for the unity work are licenses. If this is an error made under 24-005-LH Pine Hill Drive Sidewalk Improvement Bid Instructions, please make the clarifications. Our firm is a bonded company that is interested in this project. www.candsconstructioninc.consultinginc.com.

Answer: This project includes stormwater culvert installation, and the bidder should have a utility license.

2. Where is the project drawing?

Answer: The project drawings are included on the Macon-Bibb County procurement website entitled "Attachment B Diagrams-Plans."

3. Where are the boring reports?

Answer: There are no boring reports.

4. What is the project budget?

Answer: Budget information is not available.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Laura Hardwick
