

1" = 20'.0"

Notes to Plan:

- This plan shows walkways and spot grades.
- All grades shall be field verified.
- All walkways shall be ten (10) feet wide. All grades shall be a minimum of 1:12.
- Only the trees that have names and quantities will be included in this project.
- All other trees will be installed separately as part of a Trees Across Georgia grant, that is being overseen by Macon-Bibb Parks and Beautification.
- The ART installations are by others.
