- b. 2. The following restrictions and limitations therefore apply to the use of CDBG funds by any provider which represents that it is, or may be deemed to be, a religious or denominational institution or an organization operated for religious purposes which are supervised or controlled by, or operates in conjunction with, a religious or denominational institution or organization.
3. Any religious entity that applies for and is granted CDBG funds for public service must agree to the following:

4. CDBG funds may be used to rehabilitate buildings owned by primarily religious entities which are to be used for a wholly secular purpose under the following conditions:
 - a. The building (or portion thereof) that is to be improved with CDBG assistance has been leased to an existing or newly established wholly secular entity (which may be an entity established by the religious entity);
