Re: INVITATION FOR BIDS: 25-027-LH, Task Work Order for Guardrail Repair Services

The Invitation for Bids, referenced above, is modified as follows:

1. This award will be for the Task Work Order for Guardrail Repair Services for Macon-Bibb County, for a contract term of up to two years, up to a maximum amount as determined by the budgetary processes of the Macon-Bibb County Commission. The current annual budget for the Task Work Order for Guardrail Repair Services is \$100,000.00 per fiscal year. Contractors may request the remaining total value of this budget at any time. The total bid price to be input on the bid submission sheet is for informational purposes, to be used only to establish the lowest bidder and will not impact the amount of the award for these services. The per-unit prices quoted in all submitted bids shall be considered binding through at least June 30, 2027. The approximate quantities listed on the bid submission form are not guaranteed and do not reflect any actual quantities or amount of work to be done under this award.
2. The bid opening date is changed from Thursday, February 13, 2025, to Thursday, February 20, 2025, by 12 noon.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,
