

SCOPE OF WORK

ATTACHMENT B

The Department of Parks and Recreation is seeking bids from qualified contractors who specialize in the resurfacing/refinishing of pools for the Delores A Brooks Recreation Center. The Contractor will provide all labor, equipment, supplies, materials, and tools required to complete the project. The Contractor must have at least three (3) years of experience prior to this solicitation, providing services of similar scope and extent as the ones detailed herein. The selected contractor must comply with all applicable federal, state, and local requirements.

The scope of work includes resurfacing and refinishing of the swimming pool as follows:

- (A) Remove and replace the waterline tile with a 6" x 6" tile, regrouting the horizontal part of the gutter behind the waterline tile (like previous)
- (B) Remove and replace (6) racing lanes, 6" wide using black non-skid 2" x 2" tile
- (C) Repair control joints that were previously tiled over
- (D) Clean existing plaster surface area to remove any staining or scaling that may interfere with bonding of new plaster.
- (E) Saw cut and chip away existing plaster around all return lines, and lights to ensure a good seal, and better transition of new plaster.
- (F) Sound out existing plaster. Beat up and remove loose plaster, up to 10% at n/c, if needed. *
- (G) Supply and install (2) new 18" x 18" VGB compliant main drain frames and grates.
- (H) Remove and replace (5) sets of wall steps.
- (I) Apply a bond coat, Multicoat Products' Scratch Kote 2000 to ensure that new plaster will adhere to existing plaster.
- (J) Apply approx. 3/8" to 1/2" average, white plaster, troweled to a hard, smooth finish
- (K) Cost to remove loose plaster over 10% of surface area.

Macon-Bibb County is requesting a one-year warranty for all resurfacing and refinishing work.
