ADDENDUM # 7

To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: 25-036-LH, Outdoor Emergency Siren Warning System

The Invitation for Bids, referenced above, is modified as follows:

1. Does the county have on staff electricians to coordinate correct power connections?" and if not, does the county have a list of all current AC power configurations at each location along with the provider of service?

Answer: Yes, but they do not have the capacity to do the work. Yes, the county has a list of all current AC power configurations. The information is on the Macon-Bibb County Procurement website.

2. Does the county have a storage facility and/or lot to house all siren equipment, poles and equipment or is the expectation that the contractor provides a location and store all equipment necessary for the SOW.

Answer: Please refer to Addendum 5 when the initial question was posed and a response provided.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Laura Hardwick
