ADDENDUM # 2

To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: 25-048-LH, Crush Concrete Paving for Amerson Park

The Invitation for Bids, referenced above, is modified as follows:

1. Are pricing the 81 truckloads for the crushed concrete only? If more is needed how will that be paid?

Answer: We are seeking pricing for 3" of crushed concrete and pricing for 3" crushed asphalt to be installed on the road using the measurements given. We are not specifying the job based on number of truck loads.

2. What is the timeline of the project

Answer: We have no dedicated timeline. We would need to keep one lane open for traffic so that could affect how long the job takes.

3. How many truckloads of milling/crushed asphalt are being calculated? If more are needed how will that be paid?

Answer: Please refer to question #1's response.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Laura Hardwick
