Commercial Remodel	25MBC-CBP00035	03/19/2025	\$950,000.00	3268 AVONDALE MILL RD, MACON, GA 31216	BIBB MT ZION BAPTIST CHURCH	STAFFORD BUILDERS & CONSULTANTS, INC.	Bibb Mount Zion is an existing church structure that is adding a 2nd floor balcony for additional seating within the existing roof structure. The existing level one walls will be demolished as needed to install the new second floor structure. Once the second floor framing is installed, level one will be put back as it was with the exception of two new stairs to serve the second floor. The restrooms are existing and do meet ADA, they will remain as they are. The project consists of a 12,300 sq. feet Group 'A' Assembly, Per NFPA 101 Life Safety Code, and Group 'A-3' per International Building Code. Construction is Type'V' A, Fully Sprinkled. Height is 36'-0" Structure: Pre-Engineered Building roof structure with Structural steel and concrete floor framing for the Second floor, the only reason it is a Type 'V' A construction is there is a small mechanical platfor in the front left side of the building that is framed out of wood. the existing wood framing shall be covered with 5/8" fire rated gypsum board to convert it from type 'V' B to type 'V' A so as to comply with the requirements of table 13.1.6 NFPA.
