ADDENDUM # 3

To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: 26-005-LH, 2025 LRA Paving Projects

The Invitation for Bids, referenced above, is modified as follows:

1. Will Parking spaces behind sections of concrete curb be paved? Such as on Stratton Street. On what streets are the parking spaces located?

Answer: Stratton Street paving is gutter line to gutter line. Any streets downtown require parking to be completed.

2. Where on Bloomfield Rd. will paving be required? At what entrance to the mall? The bid documents indicate paving will be completed from between 3794 Address – 3794 Address.

Answer: 3794 is the address for the Burger King. The area in question is between those two driveways.

3. Will manhole covers be adjusted using riser rings or concrete? There are pay items for both; is it on a case-by-case basis?

Answer: Riser Rings and Concrete both need to be quoted. The type of adjustment will be determined by the conditions in the field.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Laura Hardwick
