**Bibb County Sheriff's Office****CASE REPORT**CASE# **2026-00008302**

P.O. Box 930

Macon, GA 31202

**NARRATIVE**

On Thursday, January 29, 2026, at approximately 0403 hours, I, Deputy Kile responded to Autumn Trace Apartment's, Apartment Number F2, located at 1745 Rocky Creek Road, Macon, Georgia, in reference to an emergency 911 call that a person had been shot.

I arrived at the location, and I was flagged down by Ms. Chasity Glover, Mr. Christopher Glover (Chasity's Brother), and Ms. Barbra Glover (Chasity's Mother). Ms. Chasity stated she had been shot. I observed blood on coming through the lower right side of Chasity's shirt. I began providing first aid to Chasity. I observed what appeared to be a small laceration on her right side, ribcage area and a small laceration on her right arm. Ms. Chasity stated that she was five months pregnant. Lt. Dover and other responding deputies arrived on scene shortly after.

Lt. Dover assisted me with collecting Ms. Chasity's information while I was providing first aid. The other deputies that responded began to collect shell casings and obtain witness statements. Ms. Chasity, Ms. Barbra, and Mr. Christopher stated they were lying in bed and started hearing gun shots. Ms. Barbara added that she could hear multiple people outside her bedroom window just before the first shot went off. EMS arrived on scene and transported Ms. Chastity to Piedmont Hospital.

I went and observed the damage to Apartment F2 and noticed that a single round came through Ms. Chastity's bedroom window breaking a glass fixture and traveling through several interior walls of the apartment. While I was doing this, Mr. Christopher stated to Sgt. Stokes that Antoine Sandier was Ms. Chastity's ex-boyfriend and that there have been several acts of violence in the past towards Ms. Chastity from Antoine.

As I completed observing the damage in Apartment F2, I was notified that Apartment E7 had also been damaged during this incident. I went to observe the damage to this apartment with Lt. Dover. Living in this apartment were Mr. Courtney Hordge and Mr. Dequiliyorn Cornelious. The apartment received over 30 rounds with majority of the rounds entering through the rear bedroom exterior wall and traveling through several exterior walls, one round went through a dresser that was against the wall and into the mattress of Mr. Hordge, where Mr. Hordge stated he was sitting. Mr. Hordge stated he had been released from prison in May of 2025 and that he doesn't know of any reason that someone would be shooting at his apartment. Mr. Cornelious stated that he was at the store when the shooting took place.

After I finished observing the damage from Apartment E7 I met with Deputy D. Jones who had been gathering shell casings that were primarily located between Building E and Building F. He stated that he and other deputies had gathered the shell casings

**NARRATIVE (continuation)**

in this area and behind Building F. Deputy Jones handed an evidence bag with the shell casings recovered.

Investigator Moss responded to the scene and began his investigation. I transported the evidence to the crime lab. I conducted a shell casing count and identified the following:

7 casings of 7.62, 4 casings of 5.7 x 28, 4 casings of 5.56, 19 casings of 300 black, 10 casings of 10 mm, 6 casings of .40 cal, and 28 casings of 9 mm. I packaged the evidence according to policy and turned it into the crime lab.

CASE 2026-00002482

**NARRATIVE**

In reference to an aggravated assault call at 1745 Rocky Creek Rd (Autumn Trace Apartments) I made contact with the residents of apartment D6. Upon my arrival I made contact with Crystal Eubanks. Crystal Eubanks stated that she and her family were home sleeping when bullets started being fired into her home. Crystal Eubanks stated that she was hit by a bullet as well as her daughter, Shaierica Sanders. Crystal Eubanks stated that there were several children in the home when the shooting took place. There was bullet damage to the walls and ceiling of the home. Paramedics were called to the scene to treat Crystal Eubanks and Shaierica Sanders at the scene. Both women were transported to Atrium Navicent for treatment of their injuries. The exterior of the apartment was also damaged by gun fire where shell casings were found near the side and rear of the apartment building. The shell casings appeared to be from 3 different caliber of firearms. A Person's investigator was called at that time. Inv. L. Rorhbach was notified and responded to the scene where he advised all further proceedings. The crime lab was notified and responded to the scene as well. This incident was turned over to investigations for further follow up.

CASE 2026-00002203

**NARRATIVE**

On January 8th, 2026 at 0924hrs, I, Deputy Erceg and my supervisor Sgt. Collis were dispatched to 1745 Rocky Creek Rd in reference to shots fired. Upon arrival we discovered that the shots occurred toward the back of the apartments in between the apartments as well as the front of the gas station (1681 Rocky Creek Rd). I spoke with staff at the gas station and reviewed camera footage. The footage showed two black males exiting the store headed right toward the back of the apartments (Autumn Trace Apartments) next door. The footage showed what appeared to be someone shooting from the apartment complex toward the gas station and the two black males shooting from the parking lot of the gas station toward the apartments. The description of the two males is as follows: one black male was seen wearing a white t-shirt, black hooded puffy jacket, black pants and white and black tennis shoes. The second was a black male wearing a ski mask, white and tan jacket, a hooded sweatshirt under the jacket, dark pants, and black shoes. Fourteen 300 Blackout spent shell casings, One live 300 Blackout bullet was located near the right side of the parking lot of the gas station. A black ski mask, Nine 9mm shell casings and one live 9mm bullet were located toward the front of the gas station parking lot and ice machine. Ten 40 caliber shell casings were located between apartment buildings H and G. All shell casings and bullets found were turned in to the Crime Lab on Houston Ave. The victims were given a case card.

Sgt. Collis spoke with Investigator Byrd over the phone and sent him pictures and a short video of the store footage. A copy of my report was sent to his email.

CASE 2025-00104262

**NARRATIVE**

On 11/25/2025, I, Sergeant Grube, was patrolling the area of Marse Allen Road when I heard around five (5) gun shots coming from Rocky Creek Road (District 4 side). Dispatch then alerted deputies to a person shot at 1745 Rocky Creek Road Apartment I-7 (Autumn Trace Apartments).

Upon arrival, I made contact with Tiffany Clark. Tiffany advised that someone had shot into their residence and that her son, Zyvis Clark, had been shot.

I made contact with Zyvis, who appears to have a gun shot wound to his right elbow/forearm. EMS and Fire Rescue arrived on scene to provide medical aid.

Tiffany advised that she was in the living/dining area when the gun shots went off. Tiffany advised that Zyvis was in his room during the gun shots.

I did observe bullet holes in the windows and walls of the living room and Zyvis' room. It appears that the shots came from behind the building.

Sergeant Shockley of Persons Investigations was notified.

EMS transported Zyvis to Atrium health Navicent for treatment.

Deputies searched the area and found five (5) 9mm shell casings behind the building. The shell casings will be collected and turned in to the Crime Lab.

The apartment complex has surveillance cameras in the parking lot area. Nothing further to report.

CASE 2025-00103957

**NARRATIVE**

On 11/24/2025, I, Sergeant Grube, responded to 1745 Rocky Creek Road Apartment D6 (Autumn Trace Apartments) in reference to shots fired into a residence.

Upon arrival, I made contact with Crystal Eubanks. Eubanks advised that she was inside her residence cooking, when shots rang out and that her home had been hit. Eubanks advised that her son (Xavier Sanders), daughter (Kimora Sanders), and god daughter (Mauniah Mann) were inside the residence with her at the time of the shooting.

I did observe bullet holes inside and outside of Eubanks apartment (D6). I did observe bullet holes in the living room and dining area. The bullet holes appear to be angled, indicating that the shots came from the back of the apartment. I located and collected five (5) 9mm shell casings on the backside of the apartment. Shell casings will be turned into the Crime Lab.

There are surveillance cameras in the parking lot area of the apartment complex.

Lt. Byrd of Gang Investigations was notified.  
Nothing further to report.

CASE 2025-00103951

**NARRATIVE**

On November 11, 2025, I, Corporal Grooms was dispatched to 1745 Rocky Creek Road Apt I-4 in reference to possible shots fired.

Upon my arrival, I made contact with Ms. Monica Jackson, who advised she was not home when her 16-year-old daughter Ny'Asia Johnson was involved in a fight. Ms. Jackson believed the fight occurred when Ny' Asia retrieved her food from the door dash delivery driver. Ms. Jackson had screen shots of Facebook profiles "Chrissy Chrissy" and Zy'Keria James" who are the possible suspects that was involved in a fight with Ny'Asia. Ms. Jackson stated her niece had sent the screenshots to her Facebook Messenger.

Ms. Jackson gave me permission to speak to Ny'Asia. Ny'Asia believed the fight stemmed from an incident that occurred on Instagram approximately a week ago. Ms. Jackson stated when she came outside the females named "Chrissy" and "Ke Ke" were outside standing behind the door dash deliver driver. Jackson stated she had put her food inside the residence on the sofa chair before the fight with Chrissy and Ke Ke. Ny'Asia advised the window was broken after the fight occurred. Ny'Asia did not know who had broke the window but saw Ke Ke with an unknown object in her hand. Ny'Asia stated she did not hear any gunshots fired but there was someone who had a gun. Ny'Asia advised there was a friend that help with the fight but I did not speak with the friend.

An informational brochure was provided in reference to this incident.

CASE 2025-00101187

**NARRATIVE**

On November 15, 2025 at approximately 1933hrs I, Cpl. Holmes responded to 1745 Rocky Creek Rd apartment I-3 in reference to damaged property.

Upon my arrival, I met with Artisha Owens who stated that she arrived home around 1800hrs and discovered that her son's bedroom window was smashed open at the rear of the building. She stated that she is unsure of who damaged the window, but was advised by children in the community that someone wearing all black clothing, a black ski mask and brown hair was walking around with a brick smashing windows. At the time of my initial investigation, no one else in the apartment complex reported any property damage.

Owens stated that she will make contact with the property manager to check cameras in the area and reach out for a follow up if there is anything seen in the footage.

Owens was given a crime victim rights pamphlet with the associated case number and reporting deputy's information.

Nothing further to report at this time.

## **CASE REPORT**

P.O. Box 930

Macon, GA 31202

**2025-00093912**

## **NARRATIVE**

On October 23, 2025 at approximately 2050hrs I, Cpl. J. Holmes responded to 777 Hemlock St, Atrium Health ER in reference to an aggravated assault that occurred at 1745 Rocky Creek Rd, Autumn Trace Apartments.

Upon my arrival, I met with Marquis Hyman in the emergency room hall. He stated that he was walking through the parking lot of Autumn Trace Apartments heading to his uncle's apartment in the B or E building. He stated that he heard some people arguing in the parking lot then heard shots fired. Hyman stated that he was shot in the left foot as was walking by. The entry wound was on the top of his left foot close to his ankle and the exit wound was through the heel of his foot.

Investigator W. Durbin responded to the hospital and attempted to interview Hyman, but he became upset and refused to cooperate.

After consulting with Inv. Durbin, the case has be closed/exceptionally cleared due to lack of cooperation from the victim.

Hyman was given a crime victim rights pamphlet with the associated case number and reporting deputy's information.

Nothing further to report at this time.

Macon, GA 31202

**NARRATIVE**

On Sunday, August 3, 2025, at approximately 1113 hours, I, Corporal S. Howard was dispatched to Autumn Trace Apartments, located at 1745 Rocky Creek Rd, regarding a domestic disturbance. Upon arrival, I spoke with Damarri Harris, who stated, her sister Destanie Harris' baby father, Maurtez Edwards, kicked in the front door and took her sister's baby and left.

I spoke with Destanie Harris, she stated, her child's father called her and said he wanted to see his baby and she just responded ok, she said a little later he showed up at the apartment banging on the door, and she did not want to open it because she did not know what he was going to do, this is when he kicked in the door, pushed her on the floor while she was holding their baby Montez Harris, then snatched the baby out her hands and left without her permission or telling her where he was taking the baby.

I did notice the door was knocked off the hinges, and pieces of the door were on the floor. I notified Lieutenant Kosmoski, myself, Deputy Baltimore, and Damarri Harris, then went to Maurtez Edwards' home address located at 624 Forest Hill Rd Apt. G2, but he wasn't there. I then contacted Crimes Against Children Sergeant Munguia; this case will be turned over to him.

An informational brochure was given.

Warrants were signed for home invasion, cruelty to children in the third degree, and simple battery (FV)

## **CASE REPORT**

P.O. Box 930

Macon, GA 31202

**2025-00048913**

## **NARRATIVE**

On June 5, 2025 at approximately 1936hrs I, Cpl. J. Holmes was dispatched to Autumn Trace apartments, 1745 Rocky Creek Rd apartment G-5 in reference to a person shot.

Upon my arrival, I entered apartment G-5 and observed a young black male lying face up on the floor in the living room near the front door. He did not appear to be breathing, had foam coming out of his mouth and a substantial amount of pooled blood around his head and torso. The victim's mother, Tnesheia Blow was in the apartment with Cpl. K. Grooms when I arrived and provided me with a name of Marcus Cunningham with a birth date of 12/10/2002. A later check through GCIC/NCIC would confirm the information as valid by Georgia ID. Blow stated her son was shot and killed, but she did not know what happened as she arrived after the shooting occurred.

Bullets were observed in the front door with casings outside the apartment in the breezeway. EMS on scene advised that was head and possibly the abdomen.

Investigators Moss and Bridger responded to the scene and assumed command. The case has now been turned over to CID.

Nothing further to report at this time.

**NARRATIVE**

On the above date and time, I, Deputy Kramer PT762 spoke with Property Manager, Janesa Brown, in reference to damage to property.

Brown stated her maintenance worker left the apartment on 05/22/2025 at 0930 hours and the door was fine.

Brown stated when she walked the property this date at 0845 hours, she noticed the door of apartment E3 looked as though it was kicked in. The door and frame are damaged. The unit is unoccupied.

Brown stated there is a camera system but the camera doesn't point at that apartment, however you can possibly see people entering and leaving the building.

## CASE REPORT

P.O. Box 930

Macon, GA 31202

CASE 2025-00029345

## NARRATIVE

On April 4th, 2025, at 17:33hrs, this officer was dispatched to a 911 call at the Autumn Trace Apartments, located at 1745 R Street SE in Macon Georgia for a Domestic Dispute in progress where one party was reported to be armed with a firearm. A Second 911 call came in while this officer was en route that stated that there was a fight in progress between the C and the D.

As I pulled into the apartment complex, I saw a Black Female and a Black Male arguing in front of building C, between two parking areas. Both parties were shouting, and hands were waving in the air. Immediately upon making contact with the Black Male suspect he turned away and ran down the hallway of building C. I ran after him, while giving verbal commands to stop and speak with me about what had taken place, but he continued to run and ignore commands. As I ran towards the suspect, the Black Female informed me that she was armed with an Ar-15 Pistol firearm and asked me to be careful. I reached the end of the hallway, I saw the suspect had entered a wooden area behind the complex and I proceeded after him. The wooden area was tall and difficult to maneuver, I could see the suspect reaching the fence for the Parkview Apartments, the property located directly behind the Autumn complex. As I gave verbal commands to the Suspect to surrender and return, but he continued to escape and jumped the tall wooden fence that divides the two complexes. I informed the other responding units of the suspects description and provided direction of travel. At that time, I returned to my vehicle and drove around the back of the Parkview Apartments where the suspect was last seen running towards.

While checking the area, I found the clothing that the suspect had been seen wearing and a check of the area by myself and another officer yielded negative results.

Upon interviewing the Victim, Zaniya Williams, DOB [REDACTED]-2006, she stated that she knew the suspect, Glenn Edwards, DOB [REDACTED] 19[REDACTED] and that they were in a relationship. Williams said that Edwards was a boyfriend and that they lived together.

Mrs. Williams stated that they had gotten into a fight where she had looked in Edwards phone and found messages from other women. Williams stated that when she confronted Edwards about the messages, Edwards became irate and grabbed her by the neck and pushed her back against a wall. Williams said that Edwards punched her on the left side of her face and threatened to take her bank debit card and

her play station and threw both in the trash collection bin for this complex. All of this took place in front of William's Son, a small child.

When asked about the firearm involved, she stated that Edwards was carrying an AR-15 Pistol, black in color inside his waistband and that the firearm could be seen, as it was exposed. Williams stated that Edwards never reached for the firearm and never retrieved it during the altercation, but that he is known to be violent. Williams stated that when she informed Edwards that she was calling the Police, He stated "I don't give a fuck about the Police".

During the interview with Victim Zaniyha Williams, it was discovered that in the past Edwards has been violent towards Williams and that he has hit her while arguing three previous times, according to Williams report.

Based on the finding stated by Williams, this officer determined that Edwards was the predominant aggressor and a warrant for Edwards arrest for Simple Battery/Family Violence was filed. Information was provided to the Victim of available resources to her, including the filing of protective order by the courts.

Macon, GA 31202

2025-00009132

**NARRATIVE**

On January 30, 2025, I Sgt. T. Gray was notified by Monroe County Sheriff's Office of an individual who was wanted out of their county for 3rd Degree Fraud and Identity Fraud who lived in Macon, Ga. The individual Areon Outlaw D.O.B 01/18/1992 B/M was believed to be driving a Red 2008 Dodge Charger tag number SDT6700. When checked through NCIC the vehicle was registered to the accused in which I was also alerted that the individual had a VOP for Manslaughter out of Jones County. At this time the vehicle tag was placed into Flock and was actively being monitored. Around 1600 Inv. Beltran and I went to the area of Bloomfield in an attempt to locate the vehicle but was unsuccessful at the moment. Shortly after Deputy Vonderhuevel located the vehicle near 1745 Rocky Creek Rd Autumn Trace apartments as it was turning into the complex. Still being in the area, a traffic stop was conducted where the individual was successfully taken into custody without incident. Once on scene I could smell a loud odor of marijuana coming from the inside of the vehicle in which I asked the accused was any drugs in the vehicle, which he stated yes, a small amount. Conducting an inventory search of the vehicle before the tow truck arrived, I noticed a small tote bag sitting on the front passenger seat. Opening the bag, I noticed a large mason jar that contained prepacked marijuana and a scale. The evidence was secured in my vehicle, and I advised Mr. Outlaw that he would be having local charges for Marijuana with the intent to distribute along with his other out-of-county warrants. Mr. Outlaw was transported to the Bibb County LEC by Deputy Vonderhuevel on his charges. The evidence was turned into the crime lab.

**CASE REPORT**

P.O. Box 930

Macon, GA 31202

**2025-00008446**

**NARRATIVE**

On Tuesday January 28 2025 at approximately 1244 hours I, Deputy Baltimore, was dispatched to 1745 Rocky Creek Rd (Autumn Trace Apt A2) in reference to a vandalism.

I spoke with Ms. Victoria Robinson and Mr. Howard Robinson. They stated that on Sunday January 26 around 2300 hours they were in their bedroom and heard multiple gunshots go off through the night.

Today while sitting in their dining area eating, they noticed a hole in the window curtain. When they moved the curtain, they saw a bullet hole in the window glass. The bullet hole entered through the back window, traveled towards the vent area and stopped in the wall. The suspect is unknown at this time. I looked in the grassy area behind the apartment and did not see any shell casings.

Gang Investigator Gray was notified and at this time there is no further information to report

2025-00007994

P.O. Box 930

Macon, GA 31202

**NARRATIVE**

On 01/26/2025, I, Corporal M.Grube, responded to 1745 Rocky Creek Road (Autumn Trace Apartments) in reference to several residences being shot up.

Upon arrival, I noticed several shell casings in front of building A. I made contact with Anashia Stallings. Anashia stated that her and her daughter (juvenile) had returned around twenty minutes prior. Anashia stated that she heard gun shots striking their residence. Anashia stated that they were unharmed. I did observe multiple bullet holes to the residence, several appear to be from a shotgun.

Gang Unit was requested. I notified Investigator Beltran of the incident.

I observed more shell casings outside of Building D. Deputies searched the area for shell casings.

I made contact with Tyasia Wimberly (D1), who advised that she was in her residence with Darian Bryant (brother in law) and juvenile sister, when they heard gun shots and the residence was being hit. Tyasia stated that they were not injured. I did observe several bullet holes to the residence.

I made contact with LiPrincess Hall (D5), who advised that she was in her residence with Trevelle Thomas and her juvenile son. LiPrincess stated that they heard gun shots striking their residence LiPrincess stated that no one was hurt. LiPrincess stated that the resident of D7 may be involved with the incident. LiPrincess stated that D7 had been robbed a few days prior and had commented that he would shoot up the place until he found who robbed him. I did observe bullet hole to the residence.

Eight (8) .40 caliber shell casings and four (4) 20 gauge shells were found in front of Building A. Sixteen (16) 9mm shell casings were found in front of Building D. All were collected and will be turned in to the Crime Lab. Nothing further to report.

**NARRATIVE**

On 1/24/2025 I Deputy Mattox responded to Autumn Trace Apartments 1745 Rocky Creek Rd. Macon, GA in reference to a Home Invasion.

Upon arrival I made contact with Mr. Donell Paul who stated he had just gotten home and was spoke to a neighbor who was outside. He stated all at once a bunch of dudes with guns ran up on him and pushed his face into the floor just inside the front door. He stated there was about 9 of them. He stated they demanded money, drugs, and other valuable items. He stated a few of them stayed with him while the others searched the apartment. He stated he knew they took his phone and wasn't sure about anything else. Later they found out they took bags of clothes new with tags on them.

Mr. Paul stated he cuts a lot of peoples hair. He stated his ex-girlfriend Ms. Jamira Houser came earlier the week with a bunch of girls to jump his new girlfriend Ms. Janza Houston. He stated his ex-girlfriend even slashed the tires on his girlfriends vehicle. Mr. Paul feels like he was setup.

Mr. Melvin Ward rode with Mr. Paul over to his apartment because they share a care and Mr. Paul was going to dry his clothes for him. Mr. Ward stated that when Mr. Paul was being robbed someone got into the back of his vehicle with a firearm pointed at him and demanded money from him. Mr. Ward stated he did not have any money to give so they did not get anything.

Sgt. Stokes was notified and responded to the scene. Lt. Johnson was notified and responded to the scene. Person Investigator Shockley was notified and responded. An SD card from a doorbell camera was recovered and turned over to the Investigator.

**CASE REPORT**

P.O. Box 930

Macon, GA 31202

2024-00087936

**NARRATIVE**

On 10/14/2024, I, Corporal M.Grube, responded to 1745 Rocky Creek Road (Autumn Trace Apartments) in reference to a residence shot.

Upon arrival, I made contact with several residents, who advised that it appeared to be two groups near the bench that got into a gun fight.

I made contact with the victims, Tyasia Wimberly and Jada Clark (Apartment D1). It appears that a stray bullet went through two bedrooms and the hallway. Tyasia and Jada stated that they were not injured and were inside at the time of the incident.

Crystal Sanders stated that she was outside walking her dog. Crystal stated that she saw a group of males out at the bench near the roadway. Crystal stated that they must have gotten into an altercation with the ones that were in a gray/silver Camaro parked near them. Crystal stated that gunshots happened. Crystal stated that she did not see what happened because she was in between buildings A and D. Crystal stated that the Camaro drove off and she no longer saw the males that were on the bench. Crystal stated that Building A is the closest building and that they could have ran there. Crystal stated that she did see around six males come out of Building A after the incident.

I checked the area for shell casings and had negative contact.

Investigator Beltran of the Gang Unit was notified.

Nothing further to report.

Upon my arrival I met with Mason Holt who stated that he was waiting for a friend (Komarii Maxwell) to come the apartment when he stated that a unknown black male walked up to his car a pointed a black pistol at him taking his marijuana that was worth about \$300. The suspect told him to leave the complex. I asked him what his friend looks like and he had to go to Facebook to see what he looks like. I asked was the person who did it still the he stated yes. I asked what building does Mr. Maxwell stay in he stated C building. Which apartment number he doesn't know because he never been in Mr. Maxwell apartment just outside. Macon, GA 31202

2024-00043006

**NARRATIVE**

On Sat. 06-01-24 at 1420 hours, I received a call to report to 1745 Rocky Creek Rd Apt I6 in reference to an adult assaulting a juvenile. I spoke to Ms. Kashanda Hall who stated that her daughter Alivia Hall got into a fight with juvenile Jakayla Jones (14) when Jakayla's mother (Spanesha Jones) got involved with the fight and assaulted Alivia. I observed on video Ms. Jones grab Alivia by her hair and sling her off Jakayla. Ms. Jones then body slammed Alivia to the ground and pressed the attack. I placed Ms. Jones under arrest for cruelty to children in the 3rd degree and transported her to Bibb LEC. Nothing further.
