00:03:21.750 --> 00:03:25.730

Macon-Bibb EMA: With that, I'll turn it over to Spencer.

Macon-Bibb EMA: Could we do an introduction of who everyone is in the room here, and then on Zoom? So, your name and company you're representing? We can do that, right? Macon-Bibb EMA: I'm Laura Hartwood, the Procurement Director for Maconade County. I'm Glenn Williamson, I'm with M.W. Collins Incorporated.

24

00:03:49.300 --> 00:03:52.329

00:04:01.720 --> 00:04:04.190

Macon-Bibb EMA: And, hey, Robert, just close the chat.

27

00:04:04.380 --> 00:04:13.400

Macon-Bibb EMA: Close the chat. Leave the participants open. Close the chat. I'll say your first name, we'll go down the list, and when I say your name, go ahead and come off mute.

28

00:04:13.580 --> 00:04:19.250

Macon-Bibb EMA: Introduce yourself, name, company, and then we'll go to the next name. So, first on the list, I have Tracy.

Tracie Bohannon-SRS LLC: Oh, Oh no, oh no, oh no, no.

30

00:04:26.640 --> 00:04:27.770

Macon-Bibb EMA: We turn volume.

31

00:04:28.160 --> 00:04:29.519

Macon-Bibb EMA: Hold on one second.

32

00:04:33.420 --> 00:04:35.129

Macon-Bibb EMA: Trace, you wanna try that again?

33

00:04:37.280 --> 00:04:40.120

Macon-Bibb EMA: I'm not getting anything. Hold on one second.

34

00:04:45.890 --> 00:04:48.110

Macon-Bibb EMA: Shouldn't be good. I hear somebody.

35

00:04:51.750 --> 00:04:53.209

Macon-Bibb EMA: Okay, I can hear you.

36

00:04:55.720 --> 00:04:56.820

Macon-Bibb EMA: Tracy?

37

00:05:02.170 --> 00:05:07.050

Macon-Bibb EMA: Okay, let's come back to Tracy. Next on the list, I've got Chris Johnson, or Chris?

38

00:05:10.830 --> 00:05:12.450

Macon-Bibb EMA: You're on mute, Chris.

39

00:05:14.960 --> 00:05:17.030

Chris Johnson: Chris Johnson, Southern...

40

00:05:18.720 --> 00:05:22.479

Macon-Bibb EMA: I heard Chris Johnson's Southern Disaster Recovery, is that correct?

41

00:05:22.820 --> 00:05:23.740

Chris Johnson: That's correct.

42

00:05:24.220 --> 00:05:26.240

Macon-Bibb EMA: Alright, John.

43

00:05:31.680 --> 00:05:32.900

John Brooks: John Brooks, MW Collars.

45

00:05:36.680 --> 00:05:37.680

Macon-Bibb EMA: Okay.

46

00:05:39.470 --> 00:05:45.650

Macon-Bibb EMA: Is that... Briebree?

47

Danny Sides: Danny sides with Ashbrett.

55

00:06:20.540 --> 00:06:21.670

Macon-Bibb EMA: Caitlin Ferguson, or Caitlin with DRC?

59

00:06:46.170 --> 00:06:48.900

Katelynn (DRC Emergency Services): Caitlin with DRC Emergency Services?

60

00:06:49.890 --> 00:06:52.540

Macon-Bibb EMA: Thank you. Katie?

61

00:06:53.610 --> 00:06:56.640
Katie Ferguson: Katie Ferguson with Southern Disaster Recovery.

62
00:06:57.520 --> 00:07:00.939
Macon-Bibb EMA: Okay, and I've got, Mitch?

63
00:07:10.360 --> 00:07:12.259
Macon-Bibb EMA: Mitch, I think you're still on mute.

64
00:07:12.990 --> 00:07:16.049
MitchVarnadoe: Yeah, Mitch with DRC Emergency Services.

65
00:07:16.680 --> 00:07:18.589
Macon-Bibb EMA: Okay, M. Melton?

66
00:07:20.310 --> 00:07:22.870
MMelton: Maddie Melton with Crowder Golf.

67
00:07:24.520 --> 00:07:26.069
Macon-Bibb EMA: You, Nikki?

68
00:07:27.900 --> 00:07:30.269
Nikki.Drew: Hi there, Nikki Drew with Ceres Environmental.

69
00:07:31.210 --> 00:07:32.280

Roger Barfield TFR: Roger Barfield, Operations Manager with TFR Enterprises.

71
00:07:38.010 --> 00:07:39.160
Macon-Bibb EMA: Hey, Nikki?

72
00:07:45.010 --> 00:07:46.489
Nikki.Drew: Am I in twice, guys?

73
00:07:46.940 --> 00:07:49.009
Nikki.Drew: Nikki Drew with Series Environmental?

74
00:07:49.650 --> 00:07:53.310

Macon-Bibb EMA: Sure, yeah. Okay. Toby.

75

00:08:03.030 --> 00:08:04.700

Macon-Bibb EMA: Toby Upshaw?

76

00:08:09.270 --> 00:08:12.180

Macon-Bibb EMA: These are the MW columns. Okay.

77

00:08:12.740 --> 00:08:17.049

Macon-Bibb EMA: Toby Upshaw with M.W. Collins, Sonny Sims.

78

00:08:18.940 --> 00:08:21.980

Sonny Sims SDR: Sonny Sims, Southern Disaster Recovery.

79

00:08:22.440 --> 00:08:24.289

Macon-Bibb EMA: Okay, and then Tracy...

80

00:08:26.600 --> 00:08:34.030

Tracie Bohannon-SRS LLC: Hi, I found my mute button. Hello. I'm with Superior Resource Specialist, SRS, LLC.

81

00:08:35.350 --> 00:08:40.059

Macon-Bibb EMA: Okay, thank you. Anybody... did we miss anybody? Yeah, anybody we missed by chance?

82

00:08:41.200 --> 00:08:47.259

Macon-Bibb EMA: Things bounce around, so... Okay, alright. Alright, that's...

83

00:08:49.300 --> 00:08:56.880

Macon-Bibb EMA: This is our, rebid for, debris removal services.

84

00:08:56.940 --> 00:09:14.069

Macon-Bibb EMA: Knowing, probably 70% of the companies that are on the call and in the room here, I'm sure you all are very familiar with what we're looking for. We re-bid this. This was, something we did 3 years ago.

85

00:09:14.070 --> 00:09:20.509

Macon-Bibb EMA: We did a 3-year contract, and now we're moving to a 5-year contract, so it'll be 1 with 4 options.

86

00:09:20.660 --> 00:09:39.469

Macon-Bibb EMA: Everything is ostensibly the same. There were some updates made to the scope based on the most recent, FEMA PAPAG and FEMA guidance updates in there. But essentially, we are looking for,

87

00:09:39.760 --> 00:09:49.610

Macon-Bibb EMA: I never say one vendor, because in emergency management, one is none and two is one. We're looking for a list of vendors to, be on...

88

00:09:49.610 --> 00:10:00.339

Macon-Bibb EMA: Direct call back with us to provide emergency debris removal services immediately following a major disaster incident.

89

00:10:00.660 --> 00:10:15.500

Macon-Bibb EMA: Primarily for us, we're looking at something to the effect of a hurricane, tornado, something like that. But, other disasters may pop up that are not of the natural,

90

00:10:15.750 --> 00:10:35.290

Macon-Bibb EMA: origin, and we may need help with that. And so, we're asking everybody to submit their best information. We will put together a review process, here internally, and based on the scores, you will be ranked. 1 through

91

00:10:35.660 --> 00:10:51.520

Macon-Bibb EMA: whomever is notified, or whoever, as the scoring shakes out, and then if something happens, and ACME debris removal is the number one on the list, we're gonna call ACME first.

92

00:10:52.030 --> 00:11:04.900

Macon-Bibb EMA: And if Acme says, yep, we got it, we'll be there, then we stop making phone calls. If Acme says, no, I'm sorry, I've got 15 other clients, I can't do it, then we move along to,

93

00:11:05.120 --> 00:11:24.379

Macon-Bibb EMA: to THARP removal, and we call THARP removal on number 2. Can Tharp removal do it? Absolutely, THARP removal can do it, and we stop making phone calls, and go on, so on and so forth from there. One of the other things that we'll be looking to do is, we did it this past year, and we want to make it an annual

94

00:11:24.990 --> 00:11:34.119

Macon-Bibb EMA: Is that we work with, in conjunction with our debris remover and debris monitor to put together a tabletop exercise.

95

00:11:34.120 --> 00:11:50.649

Macon-Bibb EMA: So that we can work together here internally with our team Macon VIB, as well as our vendor for removal and our vendor for monitoring, just to make sure we're on the same page and having those conversations so that when something happens.

96

00:11:50.650 --> 00:11:56.050

Macon-Bibb EMA: we are ready to go. And that was my segue into saying we are obviously

97

00:11:56.050 --> 00:12:06.239

Macon-Bibb EMA: I'm sure, like all of your other clients, hiring for a debris monitor as well. That pre-bid meeting happens in about 45 minutes after this one.

98

00:12:06.310 --> 00:12:14.790

Macon-Bibb EMA: And so that's where we are with it. Robert, have I missed any of the big picture, 50,000 foot view things about this project?

99

00:12:14.880 --> 00:12:15.930

Macon-Bibb EMA: Okay?

100

00:12:16.080 --> 00:12:17.400

Macon-Bibb EMA: Procurement team?

101

00:12:17.650 --> 00:12:22.530

Macon-Bibb EMA: Pretty good. Okay, what questions do you have of us?

102

00:12:26.860 --> 00:12:30.020

Roger Barfield TFR: Roger here with TFR. I have a few questions.

103

00:12:31.450 --> 00:12:33.130

Macon-Bibb EMA: Go for it, Roger. What do you got?

104

00:12:33.130 --> 00:12:41.759

Roger Barfield TFR: Okay, so the first is, I noticed that I did not see in the RFP where, the payment for tipping fees is mentioned. Will tipping be a pass-through?

105

00:12:42.700 --> 00:12:48.289

Macon-Bibb EMA: That was a question he addressed in the addendum, and we will get to that.

106

00:12:48.990 --> 00:13:01.839

Roger Barfield TFR: Okay, then the next question I had was the trees and stumps are listed as one line item rather than by size, which is typical for these contracts. Do you guys intend to amend that, or will you be leaving that at one price for all sizes?

107

00:13:01.840 --> 00:13:06.420

Macon-Bibb EMA: I, I will, I will root. I will...

108

00:13:06.880 --> 00:13:13.030

Macon-Bibb EMA: take that under consideration, but I think that... if I remember right.

109

00:13:13.970 --> 00:13:19.430

Macon-Bibb EMA: the FEMA policy change it to one size for all, but I gotta look at that. I may be wrong.

110

00:13:19.870 --> 00:13:25.529

Roger Barfield TFR: Okay, and then the last question I have is that there's also no line item listed for haul-out of reduced material.

111

00:13:27.570 --> 00:13:28.183

Macon-Bibb EMA: Thanks, Mr.

112

00:13:31.120 --> 00:13:32.260

Macon-Bibb EMA: Additional one.

113

00:13:39.420 --> 00:13:46.530

Macon-Bibb EMA: We included... where there it says average unit price for reduction, that includes haul-out.

114

00:13:46.990 --> 00:13:50.009

Roger Barfield TFR: Okay, so the haul-out will be included in the reduction rate.

115

00:13:50.240 --> 00:13:52.869

Macon-Bibb EMA: Yeah, we're asking you to include...

116

00:13:53.290 --> 00:13:55.380

Macon-Bibb EMA: All of that at a reduction rate.

117

00:13:58.470 --> 00:14:00.339

Roger Barfield TFR: Okay, that is all I had, thank you.

118

00:14:00.680 --> 00:14:02.210

Macon-Bibb EMA: Okay, thank you, thank you.

119

00:14:04.810 --> 00:14:16.409

Macon-Bibb EMA: If I may, let me state one thing. The questions that you guys asked here today, you still must submit them in writing to illharwork at makeup.us, because we want to be sure that everyone has the same information.

120

00:14:16.530 --> 00:14:21.980

Macon-Bibb EMA: Everybody hears things differently, but if it's written down, you log into the same information, okay?

121

00:14:22.310 --> 00:14:39.350

Macon-Bibb EMA: But this provides us a good opportunity to have a dialogue and figure out what you're getting at, what the question is, and how can we answer it appropriately so we can do it in writing. And then we are recording this, and we can't make the transcript of this available

122

00:14:39.350 --> 00:14:42.819

Macon-Bibb EMA: And well, I think we usually have done that, but as an addendum.

123

00:14:42.900 --> 00:14:46.849

Macon-Bibb EMA: for the transcript of this. So, alright, next question.

124

00:14:54.640 --> 00:14:55.680

Macon-Bibb EMA: Okay?

125

00:14:56.270 --> 00:14:58.269

Macon-Bibb EMA: If there are no questions.

126

00:14:58.430 --> 00:15:03.850

Macon-Bibb EMA: I'd just like to reiterate that be sure that you have your submissions in the office

127

00:15:04.140 --> 00:15:08.660

Macon-Bibb EMA: By 12 p.m. on the 4th of June, please. No late submissions will be accepted.

128

00:15:09.820 --> 00:15:10.950

Katelynn (DRC Emergency Services): Okay, can you hear me?

129

00:15:11.830 --> 00:15:12.440

Macon-Bibb EMA: Yep.

130

00:15:13.950 --> 00:15:25.260

Katelynn (DRC Emergency Services): Hi, my question is, when will the next addendum be posted? Because we had some questions that we had submitted previously, and I was just curious, if y'all had a timeline for that as of yet.

131

00:15:27.030 --> 00:15:33.380

Macon-Bibb EMA: I'm gonna work on those questions tomorrow, so hopefully by the end of the week.

132

00:15:35.830 --> 00:15:37.049

Katelynn (DRC Emergency Services): Sounds good, thank you.

133

00:15:37.930 --> 00:15:39.130

Macon-Bibb EMA: You're welcome!

134

00:15:45.070 --> 00:15:50.999

Macon-Bibb EMA: And please remember that even though, Spencer's gonna have that list.

135

00:15:51.600 --> 00:16:02.379

Macon-Bibb EMA: The due date, the late, the cutoff date is the 29th, okay, for your questions. So, answers could be provided also, some additional answers next week, depending on the questions that we receive.

136

00:16:13.720 --> 00:16:14.660

Macon-Bibb EMA: Good.

137

00:16:14.770 --> 00:16:17.720

Macon-Bibb EMA: Any last-minute questions?

138

00:16:21.560 --> 00:16:24.389

Macon-Bibb EMA: Thank you all very much, looking forward to reading your proposals.

139
