ADDENDUM # 2

To: ALL PROSPECTIVE FIRMS

Re: INVITATION FOR BIDS: 27-004-LH, Facilities Maintenance Services for Macon-Bibb County

The Invitation for Bids, referenced above, is modified as follows:

1. One question on the traffic signal proposal (1) The item for annual preventative maintenance, shouldn't the pay item be per intersection. We have no idea how many intersections will require preventative maintenance per year.

Answer: Every intersection is laid out differently, so one price would not work. Needs to be a per hour price.

2. Is the intent for proposers to include services for all four trades in a single package, or can they bid on only a single trade?

Answer: Single trade is what is expected/we are not looking for a company to take over all of Bibb Maintenance. We are looking for contractors in the specific fields listed in the bids.

Please incorporate this change into the Invitation for Bid and acknowledge receipt of this addendum on your bid form.

Sincerely,

Laura Hardwick
