

OHT – Rose Hill Trail Extension

Macon-Bibb County

Addition to the Macon-Bibb Procurement Bid Package

Project: OHT – Rose Hill Trail Extension

In compliance with your Advertisement for Bids, the undersigned, hereinafter termed the Bidder, proposes to enter a contract with **Macon-Bibb** to provide the necessary machinery, tools, apparatus, and other means of construction, and all materials and labor specified in the Contract, or called for by the Drawings, as necessary to complete the Work in the manner therein specified within the time specified, for the following prices:

The Bidder has carefully examined and fully understands the Contract, Plans and Specifications, and other Documents hereto attached, and has made a personal examination of the Site of the proposed Work, and has satisfied himself as to the actual conditions and requirements of the Work, and hereby proposes and agrees that if this proposal is accepted, he will contract with **Macon-Bibb** in full conformance with the Contract Documents.

The scope of the project is defined in plans included in the Procurement package and attachments contained in this addition.

ADD ALTERNATES: These Alternates are not listed in order – will be selected as the budget allows. These might be considered specialty work; therefore, a contractor can choose not to submit a price for this work.

A. NATIVE PLANTS AND INVASIVE PLANT REMOVAL

At the direction of Michael Glisson, Macon-Bibb Parks and Beautification Director, the Invasive Plants in the Project Area will be removed and Native Plants will be installed. Follow up and maintenance after removal to insure invasive plants are gone will be included

ADD – Invasive Plant Removal \$ _____

ADD – Native Plant Installation \$ _____

B. BENCHES AND TRASH CANS

A Cut Sheet from the provider is attached; however the bench is not the straight bench – which they can provide. Quantity is 5 – 6' long backless bench with a center bar and 3 trash cans. Include with the pricing the concrete pads, benches and trash cans, and all materials and delivery for a complete installation.

ADD \$ _____

C. ROADWAY STRIPING FOR BIKE LANES / SHARE ROWS

Through the project area, where bicycles and pedestrians will share the existing roadways with vehicles – striping is needed.

ADD \$ _____

D. ALLOWANCE FOR CONSTRUCTION MANAGEMENT

Michael Glisson will direct this activity and these funds to his satisfaction – for the project construction.

ALLOWANCE \$ 10,000

Signed, Sealed and dated this _____ Day of 2026
